Safe From Head to Toe!

The new Advocate CS 70 from Britax is one of the safest car seat around! Britax has now added SafeCell™ Technology to its Advocate and Boulevard seats, which are designed to compress in a crash, significantly lowering the center of gravity and counteracting the forward rotation of the child seat which normally propels the child toward the front seat. It has all the features that the old model has but much more! [Click](#) to learn everything the Advocate and Boulevard have to offer.

And Baby Makes Four

So you survived the transition from couple to family with your firstborn, and now you're ready to become a "growing family." In the long run, having a younger brother or sister will likely be a special addition to your older child's life, but there's a chance they might not agree at first. [Find out how to make this next step easier for everyone.](#)

People You Should Know

Karl and Rudy are the talented duo that deliver furniture to your house. They take great care of not only the merchandise you've purchased from us, but also of your home. They assemble and install all of your furniture and remove all the trash and other packing material. There's nothing for you to do when these guys are around!
